

Dear HSS Framework editors, California State Board of Education (SBE) and History–Social Science Subject Matter Committee of the Instructional Quality Commission.

Here I send further suggested corrections to the California state history and social science framework, in response to the call for comments published at <http://www.cde.ca.gov/ci/hs/cf/hssfw2ndreview.asp>

They are also about chapter 11, which deals with my area of professional expertise namely the history of indigenous cultures of Mesoamerica and North America.

I hope you will find the comments useful.

Best wishes,
Magnus Pharao Hansen

Chapter 11.

Page 300, line 5 (within textbox)

Current Text: "except for *Broken Spears*, collection of Aztec writings about the conquest that was originally written in Nahuatl and recently edited and translated into English.)"

Suggested change: except for *Broken Spears*, collection of Aztec writings about the conquest that was originally written in Nahuatl and recently edited and translated into English.)

Reason: The name of the language of the Aztecs is named *Nahuatl* with u before a, not **Nahautl* with a before u.

Best wishes,
